

27th Annual Clinical Update in

GERIATRIC MEDICINE

If your company's target market focuses on the fastest growing segment of the US population- senior citizens over the age of 85, plan on being a part of the **27th Annual Clinical Update in Geriatric Medicine which will be held on April 25-27, 2019 at the Marriott Pittsburgh City Center, Pittsburgh, PA.**

Exhibits and Sponsorships are available offering you access to physicians, physician assistants, pharmacists, nurse practitioners, nurses and other health care professionals during this 3-day program. Space and sponsorships are limited so your action is needed as soon as possible.

The attached Annual Clinical Update in Geriatric Medicine's Sponsorship & Exhibitor Opportunities will give you more detail about this unique marketing event. Also for your convenience, an application for space is attached.
