As President of the Pennsylvania Geriatrics Society – Western Division (PAGS-WD), I would like to invite you to participate as a sponsor for the Society’s annual fall program, scheduled for Tuesday, October 1, 2019 at the University Club, Pittsburgh, PA. Your support enables the Society to continue offering a suite of quality educational program opportunities to numerous healthcare professionals, representing all disciplines, in our region.

As a not-for-profit organization comprised of geriatricians, physicians (from all specialties), nurse practitioners, physician assistants, long-term care providers and other healthcare professionals, we are committed to the provision of quality health care for the elderly.

This year’s presentation features a Controversies in Geriatric Medicine case presentation, and will be held October 1 at the University Club, Pittsburgh, PA beginning with Registration, Networking/Visit with Exhibitors at 6:00 pm, followed by the dinner and program at 7:15 pm. The program features an actual case from a practice where the appropriate course of action was unclear, management was complex or there are serious ethical issues. This popular program provides engagement and dialogue opportunities from panelists and audience members.

I am requesting participation to sponsor the 2019 Fall Program in the amount of $1,000 to defray the cost of the meeting (although the organization would appreciate any monetary support you would like to contribute). Benefits of sponsorship include:

- A display table and admission for (2) for the dinner and program
- Engagement with physicians (many of which are decision makers) and healthcare professionals during the reception
- Special recognition during opening remarks the evening of the program
- Recognition (logo and name) on the program notice and website (www.pagswd.org)
- Recognition in the PAGS-WD newsletter (which reaches 220 healthcare professionals)

The Society Tax ID number is 25-1650976. The check should be made payable to: Pennsylvania Geriatrics Society and can be sent to: Nadine Popovich, administrator, 713 Ridge Ave Pittsburgh, PA 15212. A W-9 form is included with the sponsorship prospectus (attached).

Thank you for your consideration of this request. To confirm participation or to receive further information, please contact Nadine Popovich, administrator, at 412-321-5030 or by email npopovich@acms.org.

Best regards,

Namita Ahuja, MD, MMM
